BIG EARNING

Earning for Fiscal Year Ending March 31 Was at Rate of Seven Cents a Share

Sharp decline in grade of ore milled and moderate reduction in tonnage treated following last spring's labor troubles, lowered Tonopah Extension's net income to \$100,512, or 7 cents a share in the fiscal year ended March 31, 1922, says Financial Review. In the preceding annual period the operating gain amounted to \$261,616, or 20 cents a share. To pay \$263,543 dividends, accumulated funds were drawn down to \$163,931.

Gross value of mill heads shrank from \$15,591 to \$12,655 in the past fiscal year. Silver content dropped from 12,929 to 10,525 ounces a ton, while gold fell off 44 cents to \$219 a ton. Tonnage treated declined from 89,022 to 84,463 tons.

Treatment economies were important and milling recoveries showed pronounced improvement, the net decrease in these items totaling \$1,088 a ton, while grade of mill heads dropped \$3.196. Total production costs in the 1922 years were \$10,120 a ton, contrasted with \$10.801 in the previous fiscal period. Silver shipments fell from 1,057,082 to 829,354 ounces.

Tonopah Extension liquidated heavily its list of "interest bearing investments," to the extent of \$262,896. Excess current assets declined from \$818,065 to \$600,542, or 43 cents a share.

Operating profit for April, the first month of the current fiscal year, is given at \$40,299. Receipts declined somewhat to \$124,435 while current expenses of \$94,136 were also lower. The company has just paid its customary quarterly dividend of 5 per cent, payable July 1, to stockholders of record June 10.

HORNSILVER SCHOOL GRADUATES THREE

A most successful year of school work closed at the Hornsilver town hall Wednesday, May 31, with the graduation exercises, and later an entertainment by the intermediate grades. The commencement exercises, which graduated three girls, began promptly at 7:29 p. m.

The hall had been transformed into a fairy land of beauty with pine boughs and wild flowers from the Gila hills. Two large boxes of hot house flowers which added greatly to the stage decorations were sent from Reno by friends.

RADIO DANCE TONIGHT TO DRAW BIG CROWD

Elks hall will be the scene tonight of a large gathering to participate in the radio dance, the first entertainment of its kind ever given in Tonopah. The connections have all been made and the receiving set owned by Arthur Rayercraft and amplifiers and batteries owned by A. T. Lundee are in place.

FIRE DEPARTMENT PUTS OUT BLAZE

The fire department responded to an alarm shortly before 3 o'clock this afternoon at the home of Mrs. Fred Peterson, near the foundry. The origin of the blaze is not known, but it is supposed to have been the result of spontaneous combustion. Mrs. Peterson said she sensed smoke and took the mattress and clothes from the bed, hanging them on the clothesline. Shortly thereafter she discovered them burning. She says there has been no oil or gasoline in the house. The damage to the building was slight, one side being scorched.

FOSS WAS GOAT IN HIS RECENT TRIAL

Emil Foss, bartender for Mike Lovrich, formerly owner of a soft drink establishment on Main street, was the goat. Foss and Lovrich were convicted of violating the Volstead act, and Foss was sentenced to serve five months in the Washoe county jail and to pay a fine of \$500, while his superior was sentenced to serve four months and pay a fine of \$400 and costs.

It is said that Foss assumed all the blame for the mischief that was alleged and went so far as to endeavor to have his employer released without penalty. Probably by the end of the extra 30 days Foss will arrive at the conclusion that being a Good Samaritan is not what it is cracked up to be.

AMUSEMENTS

DOUBLE BILL AT THE BUTLER THEATER TODAY

Buster Keaton in "The High Sign" and "Fine Feathers," a six-reel drama, affords picture goers a program of rare entertainment. "Fine Feathers" was adapted from the highly successful play of the same name which came from the pen of Eugene Walter, the man who's known where ever the drama is mentioned. This is a picture with a plot that is bound to fascinate all manners of theater goers, whether they be poor struggling, or whether they have already attained the upper rungs of the ladder of success. Bob Reynolds, the young construction engineer, dependent over his seeming inability to storm the fortress of fortune, and his college mate, the unscrupulous John Brand, who uses man as tool, will long be remembered by all who see the picture.

Buster Keaton the somber-faced comedian, as a member of a weird secret society in "The High Sign," furnishes an ever ending stream of laughter.

Tomorrow, Anna Q. Nilsson and Norman Kerry in the "Three Live Ghosts," a George Fitzmaurice production.

Monday, Cecil B. DeMille's latest production "Saturday Night."

NEPHEW ROY CRAIG DIES AT AUSTIN

Percy Clyde McAllister, 17 years of age, one of the brightest boys of Austin, died on May 30, at the home of Mr. and Mrs. F. B. Cochran of that town. In addition to a father, who resides in Nebraska, deceased is survived by an uncle, Roy Craig of Tonopah.

Preserving time—and a cool kitchen

Make canning time a real pleasure this year by using a good oil cook-stove. It concentrates a steady, controlled heat directly under the utensil. Your task is shortened and your kitchen is kept cool, clean and comfortable.

To insure best results, use only Pearl Oil—the clean-burning, uniform kerosene—refined and re-refined by a special process.

Sold by dealers everywhere. Order by name—Pearl Oil.
